Report on the Financial Statements

We have audited the accompanying financial statements of Lotus Outreach, which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lotus Outreach as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Lotus Outreach's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 30, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1 - Organization:

Lotus Outreach is a nonprofit organization, incorporated in California in 2002, dedicated to ensuring the education, health and safety of vulnerable women and children in the developing world. Lotus Outreach's purpose is to create a more just, peaceful world where all people--regardless of nationality, ethnicity, religion, and gender--can lead rich, meaningful lives that are free of physical and structural violence.

Lotus Outreach's pursuit of this mission is manifested in the following core program areas:

- Improving access to quality education for marginalized youth.
- Economic empowerment of parents and young women.
- Human trafficking and gender-based violence prevention and aftercare.
- Improving health and sanitation for vulnerable communities.

From one year to the next, Lotus Outreach programs reach over 30,000 marginalized women and children in some of the poorest regions of Asia. Current Lotus Outreach programs include:

Note 2 - Significant Accounting Policies:

Accounting Method

The financial statements of Lotus Outreach have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and, accordingly, reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation

The financial statements present information regarding the financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

- Unrestricted net assets – Net assets not subject to donor imposed stipulations
- Temporarily restricted net assets – Net assets subject to donor imposed stipulations that will be met by actions of Lotus Outreach and/or the passage of time. When a donor stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- Permanently restricted net assets – Net assets subject to donor imposed stipulations requiring that they be maintained permanently by Lotus Outreach. The income from these assets is available for either general operations or specific programs as specified by the donor.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(WITH COMPARATIVE TOTALS FOR DECEMBER 31, 2015)

Note 2 - Significant Accounting Policies: (Continued)

Fair Value Measurements

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy). Lotus Outreach had no financial instruments at December 31, 2016 and 2015.

Allowance for Doubtful Accounts

Bad debts are recognized on the allowance method based on historical experience and management's evaluation of outstanding receivables. Management believes that all contributions receivable were fully collectible; therefore, no allowance for doubtful contributions receivable was recorded at of December 31, 2016 and 2015.

Investment Income (Loss)

Investment income (loss) consists of the following for the years ended December 31:

	2016		2015
	<u>Unrestricted</u>	<u>Total</u>	<u>Total</u>
Interest and dividend income	\$ 172	\$ 172	\$ 105
Realized and unrealized losses	-	-	(142)
Total Investment Income (Loss)	<u>\$ 172</u>	<u>\$ 172</u>	<u>\$ (37)</u>

Revenue Recognition

Contributions are recognized when the donor makes a promise to give in writing to Lotus Outreach that is in substance, unconditional. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily restricted net assets. When the stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets. Contributions to be received in future periods are discounted at an appropriate discount rate. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Note 2 - Significant Accounting Policies: (Continued)

Donated Services and Facilities

Lotus Outreach has received donations for accounting services. The professional services are recorded at their fair value and totaled \$4,200 and \$4,100 for the years ended December 31, 2016 and 2015, respectively and have been included in revenue and expenses for the years ended December 31, 2016 and 2015.

In addition, many individuals volunteer their time and perform a variety of tasks that assist Lotus Outreach with specific programs and various committee assignments. This contribution of services by the volunteers is not recognized in the financial statements unless the services received (a) create or enhance nonfinancial assets or (b) require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The donated services by volunteers for the years ended December 31, 2016 and 2015, did not meet the requirements above, therefore no amounts were recognized in the financial statements for volunteer time.

Allocated Expenses

Lotus Outreach allocates its expenses on a functional basis among its various programs and supporting services. Expenditures which can be identified with a specific program or support services are allocated directly, according to their natural expenditure classification. Costs that are common to several functions are allocated among the program and supporting services on the basis of time records, space utilized and estimates made by Lotus Outreach's management.

Income Taxes

Lotus Outreach is a public charity and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. Lotus Outreach believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. Lotus Outreach is not a private foundation.

Lotus Outreach's Return of Organization Exempt from Income Tax for the years ended December 31, 2016, 2015, 2014 and 2013 are subject to examination by the Internal Revenue Service and State taxing authorities, generally three to four years after the returns were filed.

Lotus Outreach believes it is not exposed to any significant credit risk on cash and cash equivalents.
